All suppliers must complete the Bidder Declaration GSPD-05-105 and submit it with the bid response. When completing the declaration, suppliers must identify all subcontractors proposed for participation in the contract; this includes equipment manufacturers, equipment distributors and resellers. A subcontractor is any person,

firm, corporation, or organization contracting to perform any part of the prime's contract. Suppliers awarded a contract are contractually obligated to use the subcontractors for the corresponding work identified unless the State agrees to a substitution and it is incorporated by amendment to the contract. All certified small businesses (SBs) and/or Disabled Veteran Business Enterprises (DVBEs) must perform a "commercially useful function" in the performance of the contract as defined in Government Code Section 14837 (d)(4).

DVBE Program Requirements

The State has established goals for DVBE participation in State contracts. The intent of the DVBE participation requirement and incentive is to encourage DVBE certified suppliers to participate in bidding opportunities, and to encourage non-DVBE firms to seek and include DVBE's as sub-contractors. *For the purposes of this solicitation, the department elects to exempt the DVBE Program Requirements, but opts to include the DVBE Incentive.* This solicitation does not include a required minimum DVBE participation percentage or goal.

SB/DVBE Certification

Suppliers must be certified by California as a small business/DVBE to participate in this solicitation. The DGS Procurement Division, Office of Small Business and DVBE Services (OSDS) is the state's certifying agency. Suppliers claiming preferences/incentives must provide their California SB/MB/DVBE certification number on page 1 of this RFQ. Completed certification applications and required support documents must be submitted to the OSDS no later than 5:00 p.m. on the bid due date and the OSDS must be able to approve the application as submitted. SB/Nonprofit Veteran Service Agencies (NVSA's) must possess certification by California prior to the day and time bids are due. Online applications are located on the [Cal eProcure](https://www.calstateprocure.com) website. Questions regarding certification should be directed to the OSDS at OSDSHelp@dgs.ca.gov or (916) 375-4940. For diverse business organizations, you may email DGS at BusinessOutreach@dgs.ca.gov.

DVBE Declarations (DGS PD 843)

Per the Military and Veterans Code Section 999.2, the DVBE Declarations (DGS PD 843) must be completed and signed by all disabled veteran business owner(s) and disabled veteran business manager(s) when a DVBE contractor or subcontractor will provide materials, supplies, services or equipment. When applicable, the completed form must be included with the bid response.

DVBE Subcontracting – Reporting Requirements

Contractor understands and agrees to comply with the requirements set forth in Military and Veterans Code Section 999 et seq. Should award of this contract be based in part on their commitment to use the Disabled Veteran Business Enterprise (DVBE) subcontractor(s) identified in their bid or offer, per Military and Veterans Code section 999.5 (g), a DVBE subcontractor may only be replaced by another DVBE subcontractor and must be approved by both the awarding department and the Department of General Services (DGS) prior to the commencement of any work by the proposed subcontractor. Changes to the scope of work that impact the DVBE subcontractor(s) identified in the bid or offer and approved DVBE substitutions will be documented by contract amendment. Failure of Contractor to seek substitution and adhere to the DVBE participation level identified in the bid or offer may be cause for contract termination, recovery of damages under rights and remedies due to the State, and penalties as outlined in MVC Section 999.9; Public Contract Code (PCC) Section 10115.10.

Upon completion of this Contract, the department requires the prime contractor to certify information using the [Prime Contractor's Certification – DVBE Subcontracting Report \(STD 817\)](#). If for this Contract, the Contractor made a commitment to achieve the DVBE participation goal by subcontracting to a DVBE, the Department will withhold \$10,000 from the final payment, or the full final payment if less than \$10,000, until the Contractor complies with the certification requirements above. A Contractor that fails to comply with the certification requirement shall, after written notice, be allowed to cure the defect. Notwithstanding any other law, if, after 30 calendar days from the date of written cure notice, the prime contractor refuses to comply with the certification requirements, the department shall permanently deduct \$10,000 from the final payment, or the full payment if less than \$10,000. (MVC § 999.7)

A person or entity that knowingly provides false information shall be subject to a civil penalty for each violation. (MVC § 999.5(d); Govt. Code § 14841).

Contractor agrees to comply with the rules, regulations, ordinances, and statutes that apply to the DVBE program as defined in Section 999 of the MVC, including, but not limited to, the requirements of Section 999.5(d). (PCC Code § 10230).

DVBE subcontractors will be notified at the time of award that their firm has been listed for participation in an agreement. Upon request, the prime contractor shall also provide proof of payment to the DVBE for subcontractor work.

Tire-Derived Products Preference

Per Public Resources Code (PRC) section 42890 et seq., a 5 percent (5%) recycle preference is available for recycled tire products (also known as tire-derived products). When evaluating bids, application of the tire recycle preference is only applicable if both virgin products and recycled content products (RCP) are acceptable for a line item. Should only recycled content products be bid, then the preference is not calculated. Should a solicitation include a mix of line items containing both qualified and non-qualified tire-derived RCPs, the preference shall only apply to qualified line items. If line item awards are made, the preference shall be applied, to the extent possible, so as to maximize award to bidders proposing recycled tire products (PRC section 42892).

California Civil Rights Laws Certification

Pursuant to Public Contract Code 2010, a person that submits a bid to, or otherwise proposes to enter into or renew a contract with, a state agency with respect to any contract in the amount of one hundred thousand dollars (\$100,000) or more shall certify, under penalty of perjury, at the time the bid is submitted or the contract is renewed, compliance with the Unruh Civil Rights Act. (Section 51 of the Civil Code) and the Fair Employment and Housing Act (Section 12960 of the Government Code).

Recycled Content Products

State agencies are required to report purchases in many product categories. In order to comply with those requirements, suppliers are required to complete and return the attached Postconsumer Recycled-Content Certification form (CalRecycle 74) with their bid response. Failure to complete and return the form may disqualify your bid from consideration. More information is located at: <http://www.calrecycle.ca.gov/BuyRecycled/StateAgency/>.

Any contract entered into in violation of this subdivision is void and unenforceable. (b) This section shall apply to any contract executed on or after July 1, 2012.

All bidders will be required to submit a completed DARFUR Contracting Act Certification Form. Effective January 1, 2009, CDCR generally cannot contract with “scrutinized” companies that do business in the African nation of Sudan, as described in PCC §§ 10475 -10478. A company that currently has (or within the previous three years has had) business activities or other operations outside of the United States must certify that it is not a “scrutinized” company when it submits a bid or proposal to CDCR. A scrutinized company may still submit a bid or proposal for a contract with CDCR if the company first obtains permission from the DGS.

California Seller’s Permit

If applicable, award will be contingent upon providing your company’s California retailer’s seller’s permit number or certification of registration and, if applicable, the permit or certification of all participating affiliates, issued by the California Department of Tax and Fee Administration (CDTFA), pursuant to all requirements as set forth in §§ 6487, 7101 and sections 6452.1, 6487.3, 18510 of the Revenue and Taxation Code, and Section 10295.1 of the Public Contract Code. To expedite the process of verifying the validity of the permit, provide the CDTFA issued seller’s permit number on page 1 of this RFQ or attach a copy of the permit with your bid response.

Responsible Bidder

Bidders may be required to submit further evidence of their qualifications at such times and under conditions, as it may deem necessary. If a bidder has been determined to be non-responsible, the bid shall be rejected.

Bid Evaluation – Tie Between Bidders

In the event of a precise tie between bidders, the CDCR procurement official will conduct a coin toss or a similar objective method. At least one witness must observe and document the coin toss. Affected bidders will be given the opportunity to attend the tie breaker coin toss. An email notification will be sent to the affected bidders at least 24 hours before the coin toss is conducted.

Note: In the event of a precise tie between the bid of an SB/MB and the bid of a DVBE that is also a SB/MB, the award shall go to the DVBE that is also an SB/MB. (Reference GC section 14838 (f) and 2 CCR section 1896.8(f)).

Note: Recycled tire product contracts will be awarded to the bidder whose product has the greatest percentage of recycled tire content if the fitness, quality, and price are equal. (PRC section 42894) “Recycled tire product” means a product with not less than 50 percent of its total content derived from recycled used tires. (PRC section 42890).

Supplier Terms and Conditions / Quotation Attachments

Quote responses that reference a supplier’s own terms and conditions, legal terms, or provisions that conflict with the State’s General Provisions shall be considered non-responsive and will be rejected. The state objects to and will not evaluate or consider any additional terms or conditions submitted by a bidder.

Confidentiality

During the evaluation of bids received in response to a competitive solicitation and prior to contract award information relating to bid evaluation is confidential. Any disclosure of confidential information by the bidder during the procurement process is a basis for rejecting the bidder’s proposal and finding the bidder ineligible. Total confidentiality during the procurement process is vital to preserve the integrity of the process.

Loss Leader

It is unlawful for any person engaged in business within this state to sell or use any article or product as a “loss leader” as defined in § 17030 of the Business and Professions Code. A “loss leader” is any article or product sold at less than cost: (a) where the purpose is to induce, promote, or encourage the purchase of other merchandise; or (b) where the effect is a tendency or capacity to mislead or deceive purchasers or prospective purchasers; or (c) where the effect is to divert trade from or otherwise injure competitors.

All such change orders shall be in writing and issued only upon written concurrence of the supplier.

Limitations

Senate Bill (SB) 34 declares that a contract that was entered into because of an act that would constitute a violation of a state or federal crime relating to bribery of a public official, including, but not limited to, a violation of Section 68 or 86 of the Penal Code, is voidable. The provisions of SB 34 apply to contracts executed on or after January 1, 2023, including contracts negotiated prior to January 1, 2023.

By submitting a bid or proposal, Contractor represents that it is not a target of Economic Sanctions. Should the State determine Contractor is a target of Economic Sanctions or is conducting prohibited transactions with sanctioned individuals or entities, that shall be grounds for rejection of the Contractor’s bid/proposal any time prior to contract execution, or, if determined after contract execution, shall be grounds for termination by the State.

Target Area Contract Preference Act (TACPA)

This solicitation provides for the optional TACPA preference. Bidders are not required to apply for this preference. Denial of the TACPA preference request is not a basis for rejection of the bid/offer.

The TACPA workplace and workforce preferences will be evaluated and awarded for this solicitation. California-based companies seeking award of the TACPA preferences will need to complete and submit preference request forms with the bid/offer. The following webpage contains required preference request forms and an interactive map to determine if a business is located within a TACPA qualified zone: <https://www.dgs.ca.gov/PD/Services/Page-Content/Procurement-Division-Services-List-Folder/Request-a-Target-Area-Contract-Preference>.

By submitting TACPA forms, a bidder given a TACPA preference agrees to the TACPA contract provisions required by Government Code section 4535 and provided in section 1896.40 of Title 2 of the California Code of Regulations (CCR) in addition to requirements specified on the TACPA form STD 830.
